Support and friendship
for families

Home-Start
Grantham

We are a Voluntary Organisation that supports families with children under the age of 11 who are experiencing difficult times...being a parent isn't always easy!

We train volunteers who are parents themselves to offer ongoing friendship & support to families within their own homes by weekly visits for however long it is needed. We can help with issues such as:

- *Lone parenting*
- *Loneliness & Isolation*
- *Coping with twins, triplets or large families*
- *First time parenthood & new babies*
- *Postnatal illnesses*
- *Children's behaviour problems or disability*
- *Relationship issues*

This is a non-judgemental, free & confidential service for parents who want a little extra support.

Please feel free to contact us if you would like further information about receiving our unique service, or indeed, becoming a volunteer with us.
