

# Corby Glen Parish Council needs YOU!

**Pledge** with Open Reach to get upto  
1GIG/s UltraFast Internet in Corby Glen  
(even if you made a pledge last year!)

**URGENT!**

If you made a  
pledge to the scheme  
last year - many thanks!  
BUT we also need you  
to pledge to OPEN REACH  
so we can access  
215K of government  
funding

**PLEDGE DEADLINE:**  
25th August 2022

After last years campaign we successfully secured £215k of Government funding from the Department for Digital, Culture, Media & Sport (DCMS) to upgrade the Internet in Corby Glen to FTTP.

BUT, we are not over the line yet. To release the money we need residents to officially pledge to use the new service with Open Reach (EVEN IF YOU PLEDGED LAST YEAR) who will install the system. You will be free to stay with your current internet provider or choose a new one.

If we don't meet our target the funds will not be released, and the scheme will NOT go ahead. Please also encourage friends and neighbours to pledge on the link below.

You can make your pledge as a resident, a Sole Trader or a Business. DCMS has agreed to fund the cost for each resident at £1000 and £2000 per Business or Sole Trader. Once we've hit 100% (or above) of our target, all properties that have pledged will receive an email from DCMS asking them to validate their voucher.

Typically, a full fibre broadband service costs around £30-£40 a month and properties can choose from a large number of providers. You can view the list of service providers that sell full fibre broadband using our network in your area here: [www.openreach.com/fibre-broadband/fttp-providers](http://www.openreach.com/fibre-broadband/fttp-providers)

Here's what you need to do:

1

Visit the website and pledge your voucher

2

Encourage others to do the same (by 25th Aug)

3

Look out for the Government email to validate your voucher

4

Open Reach will start building when we have enough confirmed vouchers

5

You need to order a Full Fibre service when it's live

6

Look out for Government email and confirm you are connected

If you want to know more about the Government funding visit: [gigabitvoucher.culture.gov.uk](http://gigabitvoucher.culture.gov.uk)

Pledge at: [www.openreach.com/connectmycommunity](http://www.openreach.com/connectmycommunity)

By pledging the support for the scheme, you are agreeing to the pledge terms and conditions.
