10. Matters to be further discussed at this meeting:

06/18 Village Flag – design ideas to be reproduced in a leaflet for circulation and feedback from village residents.

16/18 SKDC Draft Local Plan – an amendment to the Draft Local Plan now includes the land at Ferndale House, which had not previously been included. The revised Local Plan would provide the potential for 280 additional properties to be built. This is a 67% increase on the current number of dwellings compared to the nearest growth area of Barrowby, which has just a 27% increase planned. The other 15 larger villages in SKDC have potential growth plans of less than 10%. The original Draft Local Plan which proposed 250 properties for Corby Glen, would still have been a 60% growth on current size. The land at Ferndale House has been included with no opportunity for formal consultation with the Parish Council. With infrastructure investment in the village, the objective of 250 additional properties up to 2036 would be achievable but a further 30 is an unnecessary addition to the Local Plan objectives. After discussion, Cllr Lamming proposed the Parish Council objects to the inclusion of the land at Ferndale House (off Swinstead Road), and this was seconded by Cllr Muir. Cllr Fowler requested a recorded vote – Cllrs Honeywood, Lamming and Muir supported the proposal, Cllrs Fowler, Fox & Walsingham objected. Cllr Honeywood cast the deciding vote and it was agreed the Parish Council will object to the inclusion of the land.

18/18 Post Office Mobile Van service – The Post Office is in discussion with van operators, trying to find a possible route Corby Glen could be included in. Clerk to contact Post Office to find out who residents should contact to complain about the situation.

19/18 Grass cutting contract January 2019 onwards – Councillors are happy with the standard of work and Clerk has contacted David Warden to ask for a grass cutting quote for the next three years.

20/18 Parish Council village walkabout (prior to visit from Highways) – it was agreed no walkabout was necessary before the visit and all issues will be discussed with Rowan Smith on June 29th.

21/18 Road Safety Partnership – 30mph signs – the current signs are now faded and have little impact. Clerk to contact the RSP to purchase new signs. A budget of £50 was agreed.

22/18 SKDC grass cutting contract – Glendale cut the open space grass once a month but are leaving rough edges and poorly cut grass. Cllr Robins to feedback comments to SKDC and Glendale regarding the standard of work.

23/18 Long grass top & bottom of St Johns Drive – Cllr Fowler to as David Warden for a quote to include these two areas in the grass cutting contract.

24/18 Plant growth infringing on public footpath, behind properties on St Johns Drive – Students from Charles Read Academy will be undertaking a project to clear several footpaths around the village.

25/18 Village bus services – plans in view of future expansion of village – Bus services are market lead, and if there is no demand the services to & from the village will be reduced.

26/18 2018-19 Clerks National Salary Award agreed by NJC from April 1st 2018 – NJC issued the 2018-19 Clerks Salary Award in April 2018. It was agreed the clerk's salary will be increased in line with NJC recommendations and backdated to April 1st 2018.

11. Next meeting confirmed to take place at 7.30pm at the Willoughby Gallery on July 11th 2018.

Meeting closed at 9.00pm.

Mrs. Sara Parker - Parish Clerk
